BAT MAN

"THE WHOLE WORLD'S UPSIDE DOWN"

TOPSY-TURVY MAN, ARCH-VILLAIN, HAS THE ABILITY TO TURN THINGS UPSIDE DOWN.

BATMAN, YOU MUST HELP US TURN THINGS AROUND.

WHAT'S UP IS UP. WHAT'S DOWN IS DOWN EXCEPT WHEN TOPSY-TURVY'S AROUND.

SUDDENLY, EVERYTHING SEEMS TOPSY-TURVY!?!?

I'LL GET RIGHT ON TOP OF THIS SITUATION.

WHAT GOES UP MUST COME DOWN: LOOSE CHANGE, TIGHT PAPER MONEY, ALL MINE FOR THE SCOOPING! THE **BIG BONUS**: ALL THOSE DELICIOUS **HOSTESS® FRUIT PIES**.

LOOK AT ALL THAT REAL FRUIT FILLING AND TENDER LIGHT CRUST!...

FAIR WARNING, TOPSY. I'LL BEND OVER BACKWARDS TO MAKE THINGS RIGHT...

YOU CAN STAND ON YOUR HEAD, "MIGHTY." BATMAN, FOR ALL I CARE, I WANT ALL THE **APPLE, CHERRY AND LEMON** I CAN GET!

IF YOU CAN'T START AT THE TOP... START AT THE BOTTOM...

POW

...AND WORK YOUR WAY UP, I ALWAYS SAY.

THINGS ARE ON THE UP AND UP AGAIN.

AND MY LUSCIOUS **HOSTESS FRUIT PIE** IS BACK IN MY HANDS AGAIN WHERE IT BELONGS.

IT'S HARD TO BE UP WHEN YOU'RE DOWN!

YOU GET A BIG DELIGHT IN EVERY BITE OF **HOSTESS® FRUIT PIES!**

POWERFUL MUSCLES FAST!!

FASTEST MUSCLE BUILDING SYSTEM KNOWN TO MAN!

Muscle Builders will give you the kind of **SUPER BODY** that girls admire and men respect. You can add 10" of steel-like muscles to your chest, 6" to your arms, and can melt up to 12" from your waist. Your strength will double or even triple!!

GAINS OF UP TO 1/2" OF MUSCLE PER DAY!

With our 1/2 INCH A DAY SYSTEM, you can actually gain up to 1/2 inch of muscle per day. Muscle Builders takes the "sleeping" muscles already present in your body — and builds them fast through our secret **MUSCLE PUMP** techniques. With a minimum of effort, you can have yard-wide shoulders, a rock-hard stomach, huge arms, and powerful legs. Regardless of your age, height, or present build, you can build a fabulous body. If you're underweight, you can add slabs of muscle. If you're overweight, you can replace that fat with rock-hard muscle.

LOWEST PRICED BODYBUILDING SYSTEM AVAILABLE!

Muscle Builders is the lowest priced bodybuilding system available. Muscle Builders costs less than 1/4 as much as similar, yet inferior systems. Yet, Muscle Builders is the best available.

The Mighty Meat Snack conquers The Horrible Hungries.

You've tangled with the Hungries before. They sneak up behind you at the library, and make your stomach growl until your face turns red. They strike when you're half way home from school, at least ten minutes from the nearest sandwich.

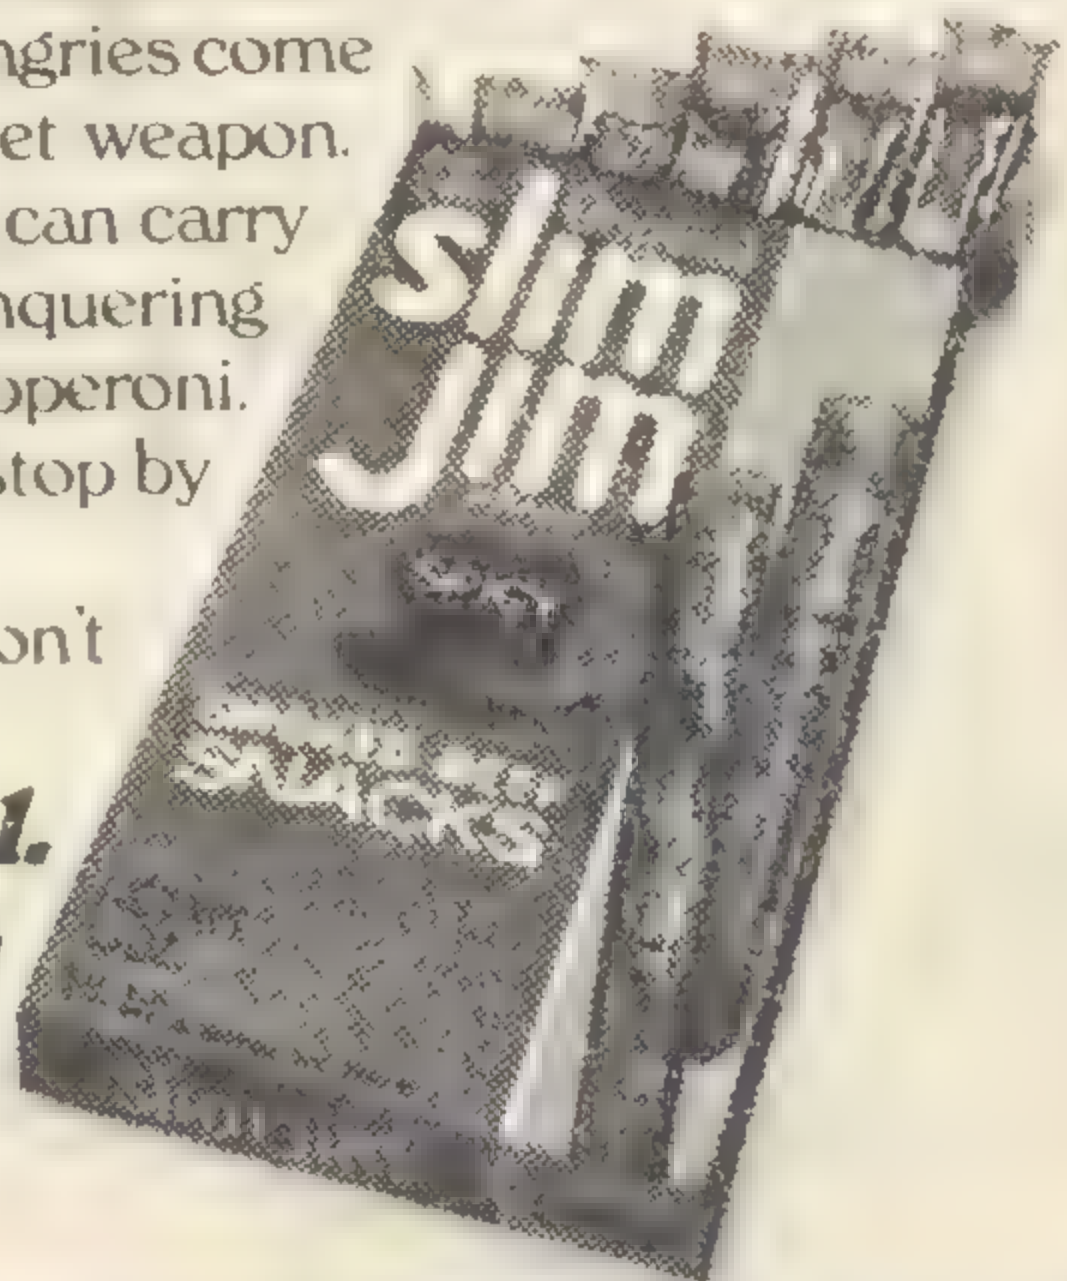

If you want to be ready, next time the Hungries come around, try taking along your pocket-size secret weapon.

Slim Jim.[®] The mighty meat snack you can carry anywhere, and eat anytime. In six Hungries-conquering flavors - mild, spicy, pizza, bacon, salami, and pepperoni.

So pick up Slim Jim the next time you stop by the grocery store.

If you don't, and the Hungries get you, don't say we didn't warn you.

A little more than a snack.**

AND NOW... STILL ANOTHER MESSAGE OF UNTOLD IMPORTANCE FROM OUR PROLIFIC PUBLISHER!!

Don't panic. We're going to have a brief quiz. It will be painless. You cannot fail

Do not think you can slip any sly lies by. This test is printed on a chemically treated paper; when it's held under the proper Detective Comics light it turns true blue if you're honest and fink pink if you're not.

O.K. Here we go. When you saw all those ads this month for Dollar Comics, you said:

A. "Boy, this is the greatest thing in comics since Jerry Siegel and Joe Shuster gave Krypton the old heave-ho and created Superman."

B. "Rip-off! Rip-off! Rip-off! No comic is worth a buck."

Oh, those of you who saw the light and answered **A**—all of you, Crusaders, caped and uncaped in the cause of comicdom, DC takes you to its heart.

Did you answer **B**? Be not ashamed. DC embraces you too. Your response is forgiveable, oh unenlightened ones. But harken to these following words and learn. The truth shall set you free

Many years ago, there were books of such verve and imagination that historians later called that time Comics Golden Age. The name was truly justified. These comics were **64 pages** long. And to millions of people who bought them, they were worth their weight in gold—or silver anyway, because comics cost a dime. And so did **Time Magazine** and **Life Magazine**. In fact, the best newsstand publications of the day all cost about ten cents and many cost less. Find a newsdealer who's been around for thirty or forty years and ask him yourself. He'll tell you. He was thrilled to carry comics. Every **Superman** he sold (and he sold plenty) meant as much profit to him as the sale of one copy of **Life**. But that was years ago. How about today?

Fellow comic reader, things are bleak. Check it out yourself.

How many newsdealers can you find who are really happy to carry comics? In fact, how many newsdealers can you find who carry comics at all?

What, you rightfully ask, has gone wrong? For the answer, let us contemplate two facts of life

1. Since 1938, the price of living has gone up. A lot. The best things in life like movies cost fourteen times more today than they did thirty years ago.
2. If you've been in business since 1938 and you haven't raised your prices by now, then you were out of business twenty years ago

Reasonable, huh? All right. Now try to find somewhere, somehow even the smallest semblance of a logical explanation for this second set of facts:

1938-1948: All magazines raise their prices. **Comics stay at 10 cents.**

1948-1958: Another Decade. Another whopping ten years of higher printing rates and soaring printing costs. All non-comic magazines—doing what they have to do—raise their price. **Comics remain at 10 cents.**

It took comics four more years to make the truly daring move. In 1962, we leapt boldly with both feet from a measly dime to a mind-boggling 12 cents. A 20 percent increase! What courage! What hindsight! No one seemed to notice that all the magazines with which we'd once been so proudly displayed were now selling at 3, 4 and 5 times their original price.

You know the rest. How we went up from 12 cents to 15 to 20 to 25 and finally, this past year, to 30. It's not hard to read the future.

The problem is clear. Price-wise, comics are still 25 years behind the times. Even with a 30-cents cover price, there are still fewer newsdealers who **want** to carry us. And who can blame them?

And, meanwhile what's happened to all of us guys who love comics? We're getting the short-end of the stick. Each year we're paying more money for comics with fewer pages and more reprints.

How can we put a stop to it all? How can we get back to those halcyon days of **64 pages** of all new stories, **64 pages** of all new art?

How can we make sure that you, our loyal fans, get a fair shake? How can we get those thousands of turned-off dealers turned-on again?

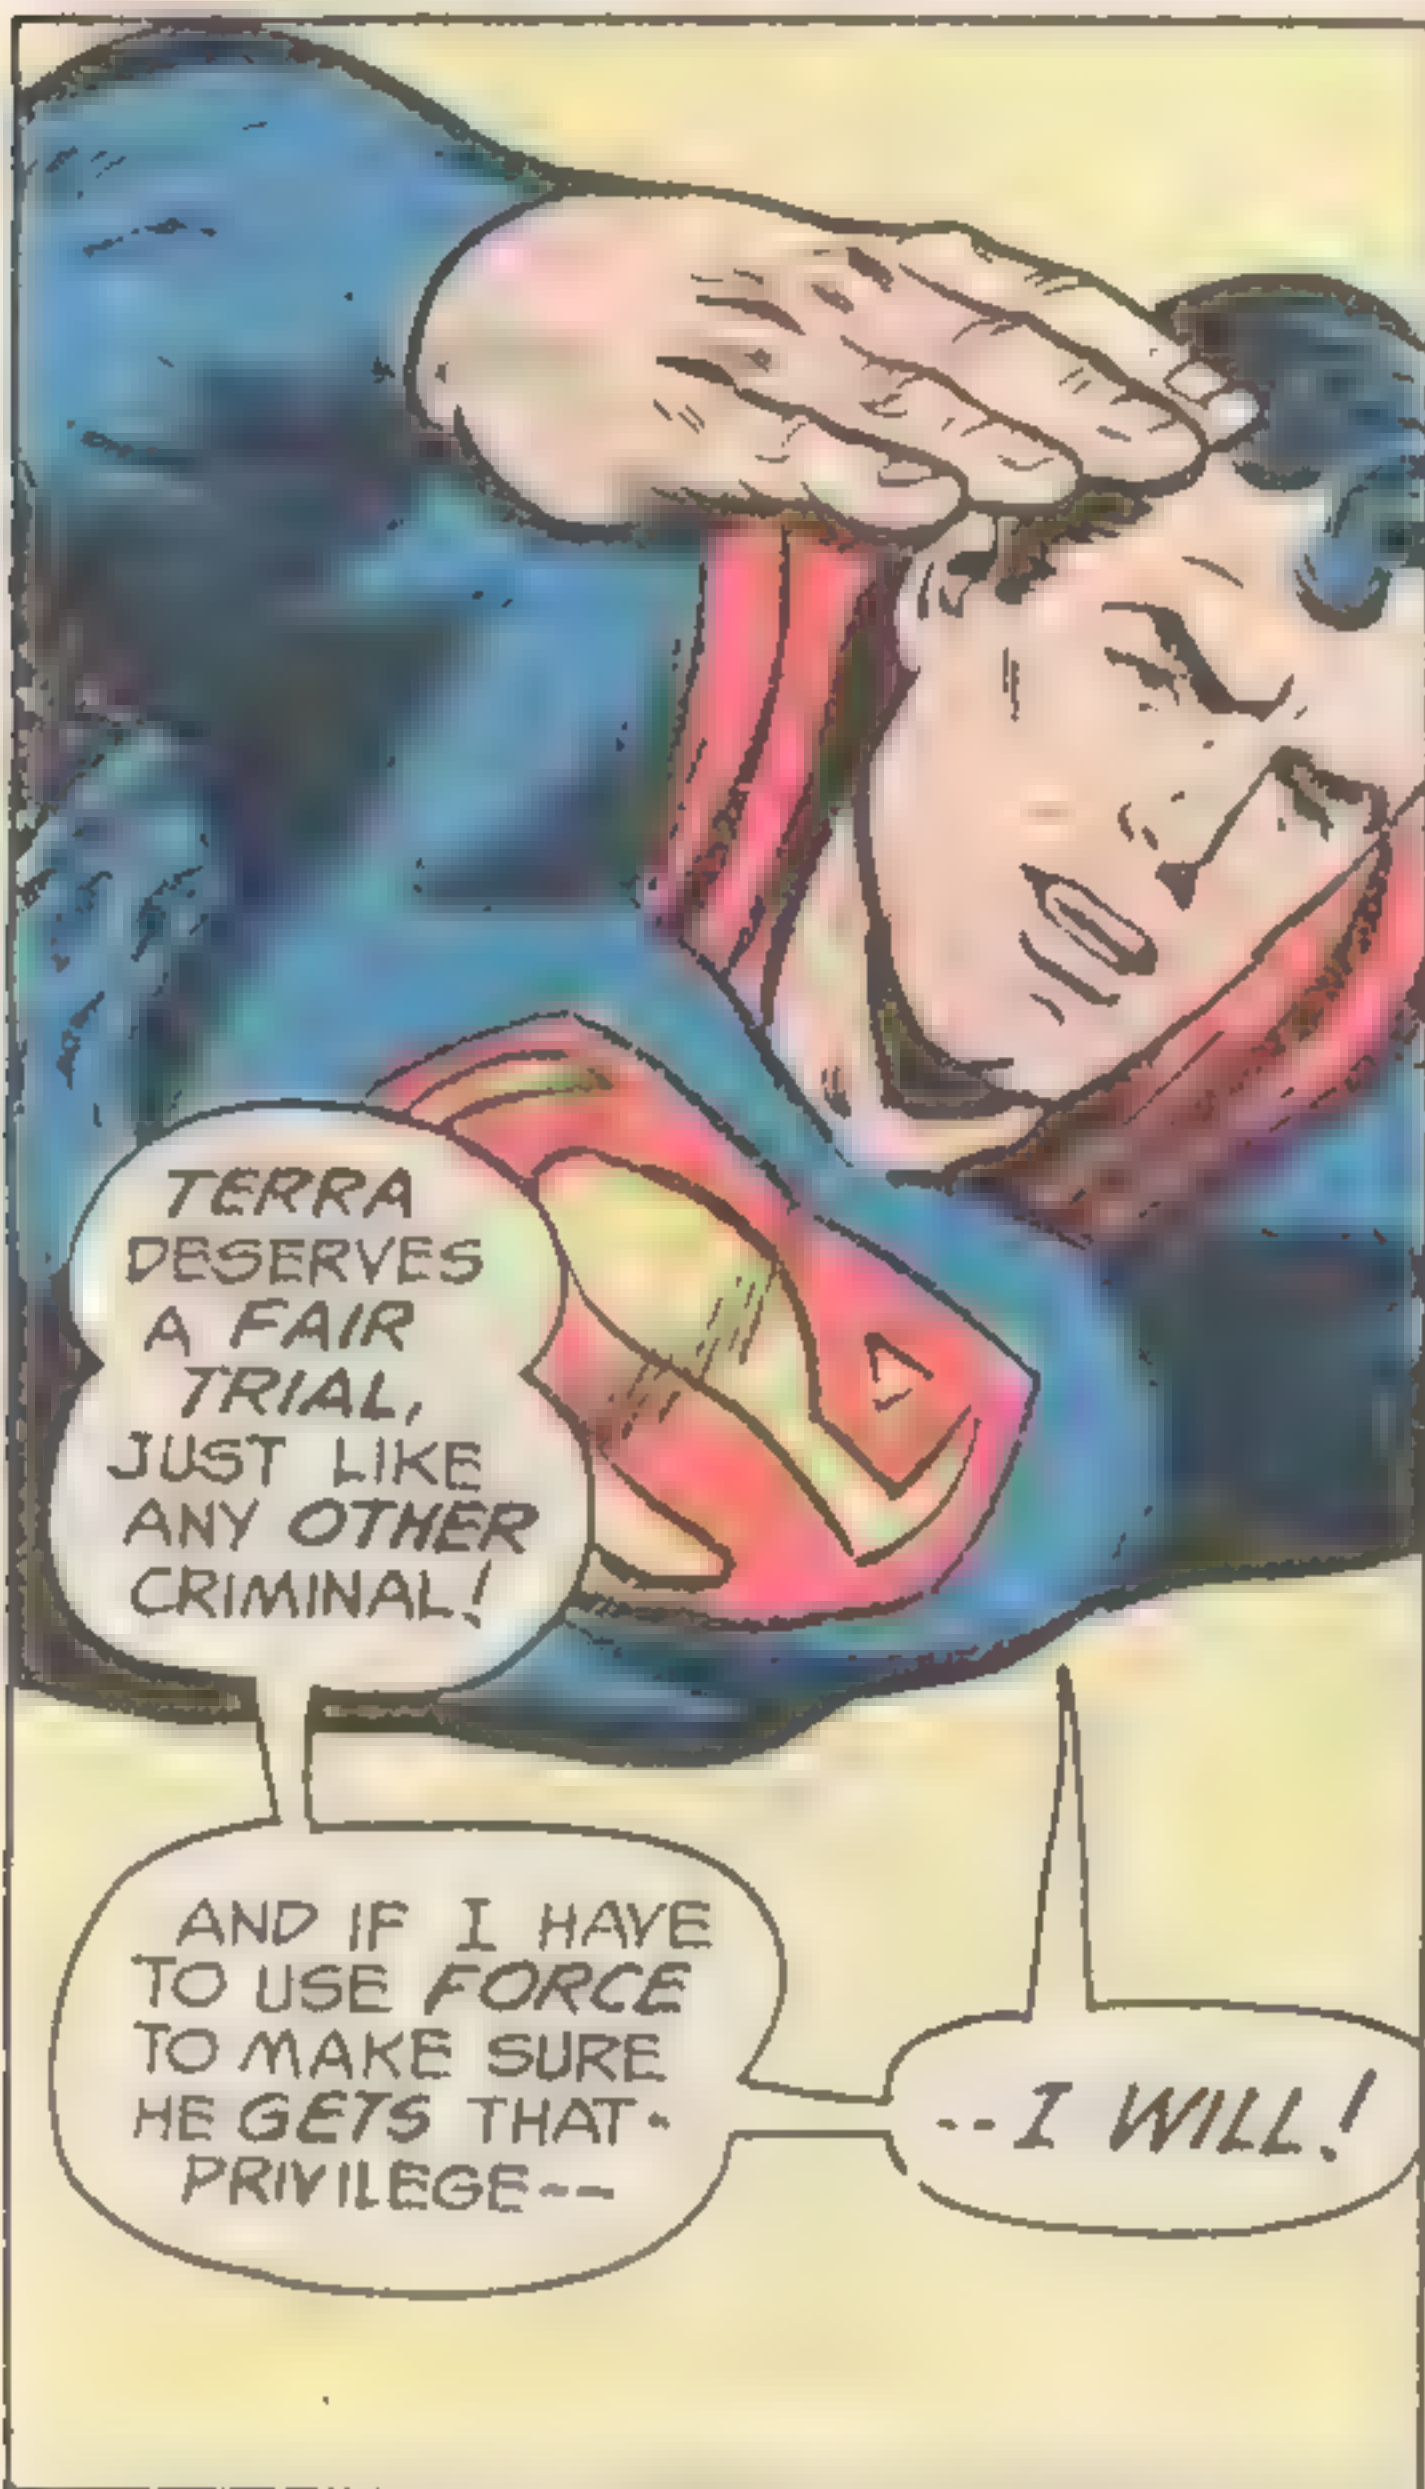

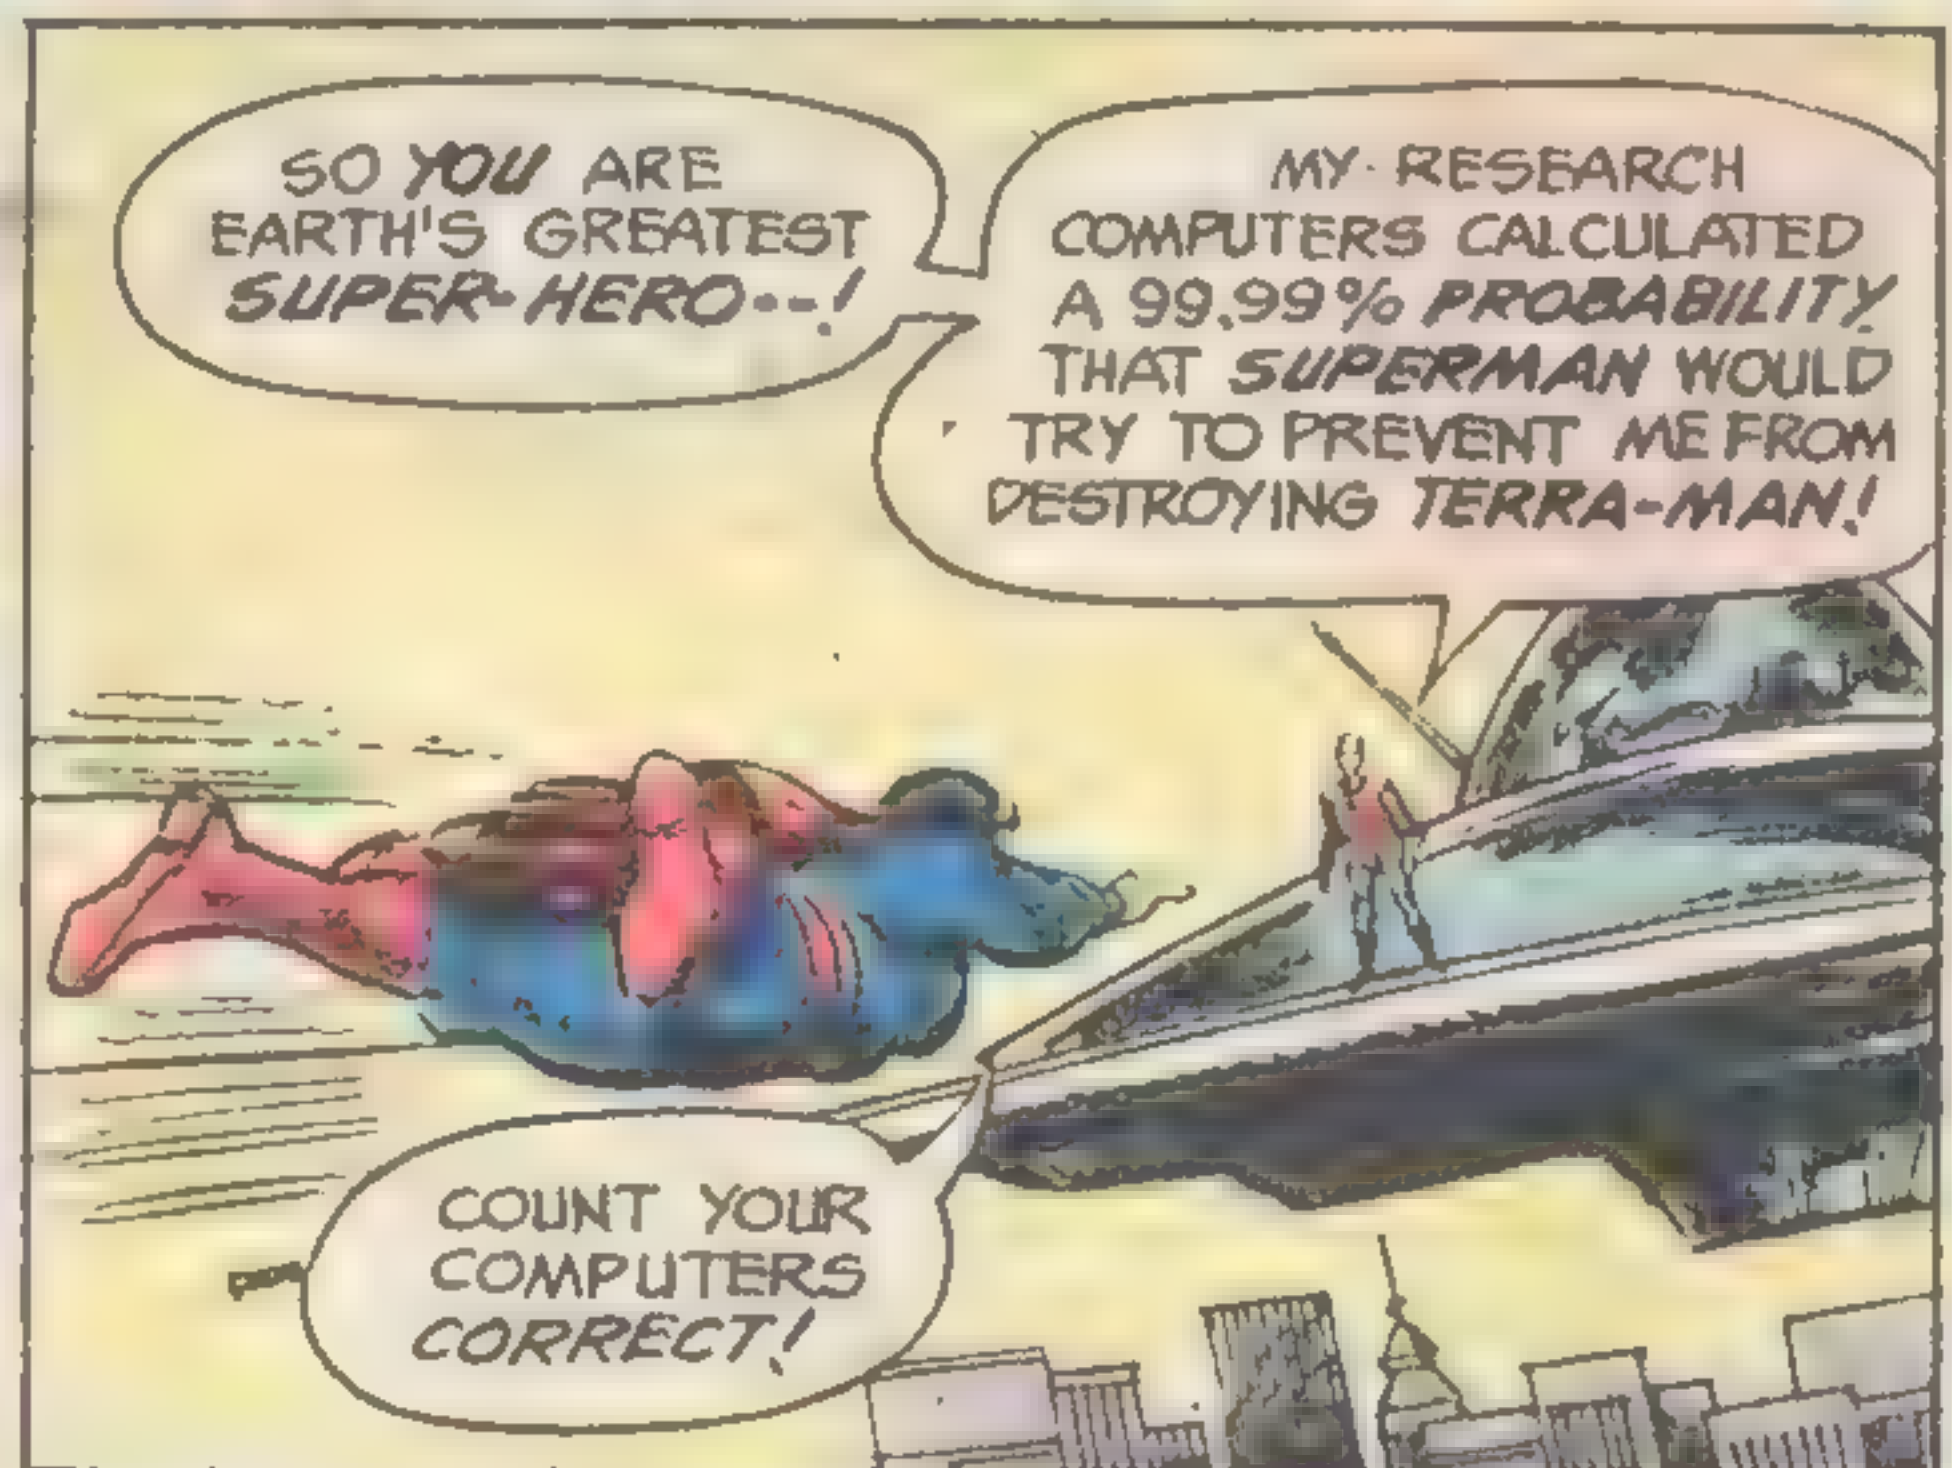

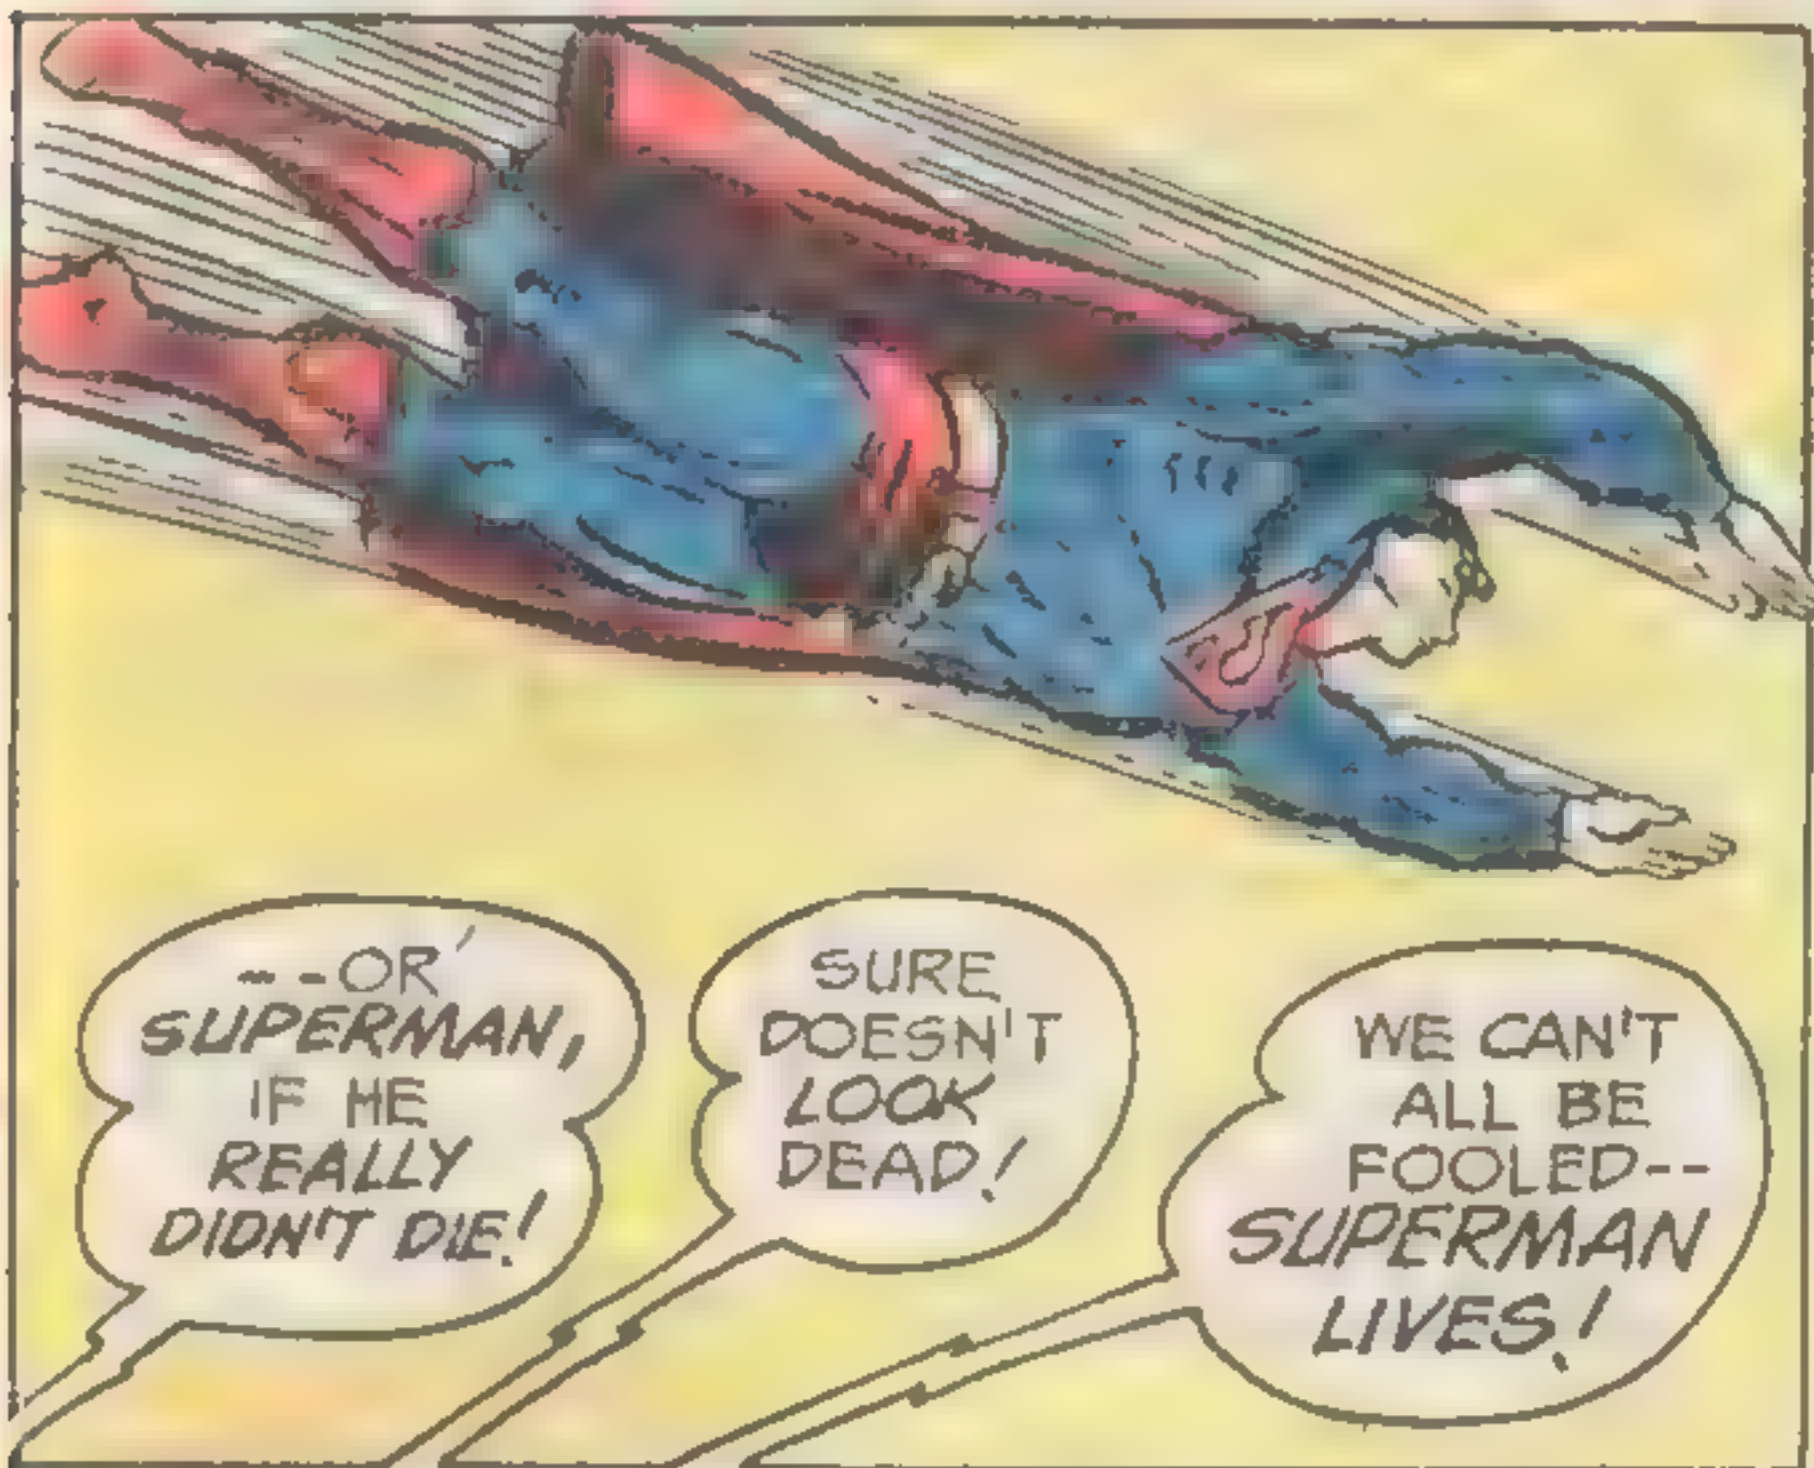

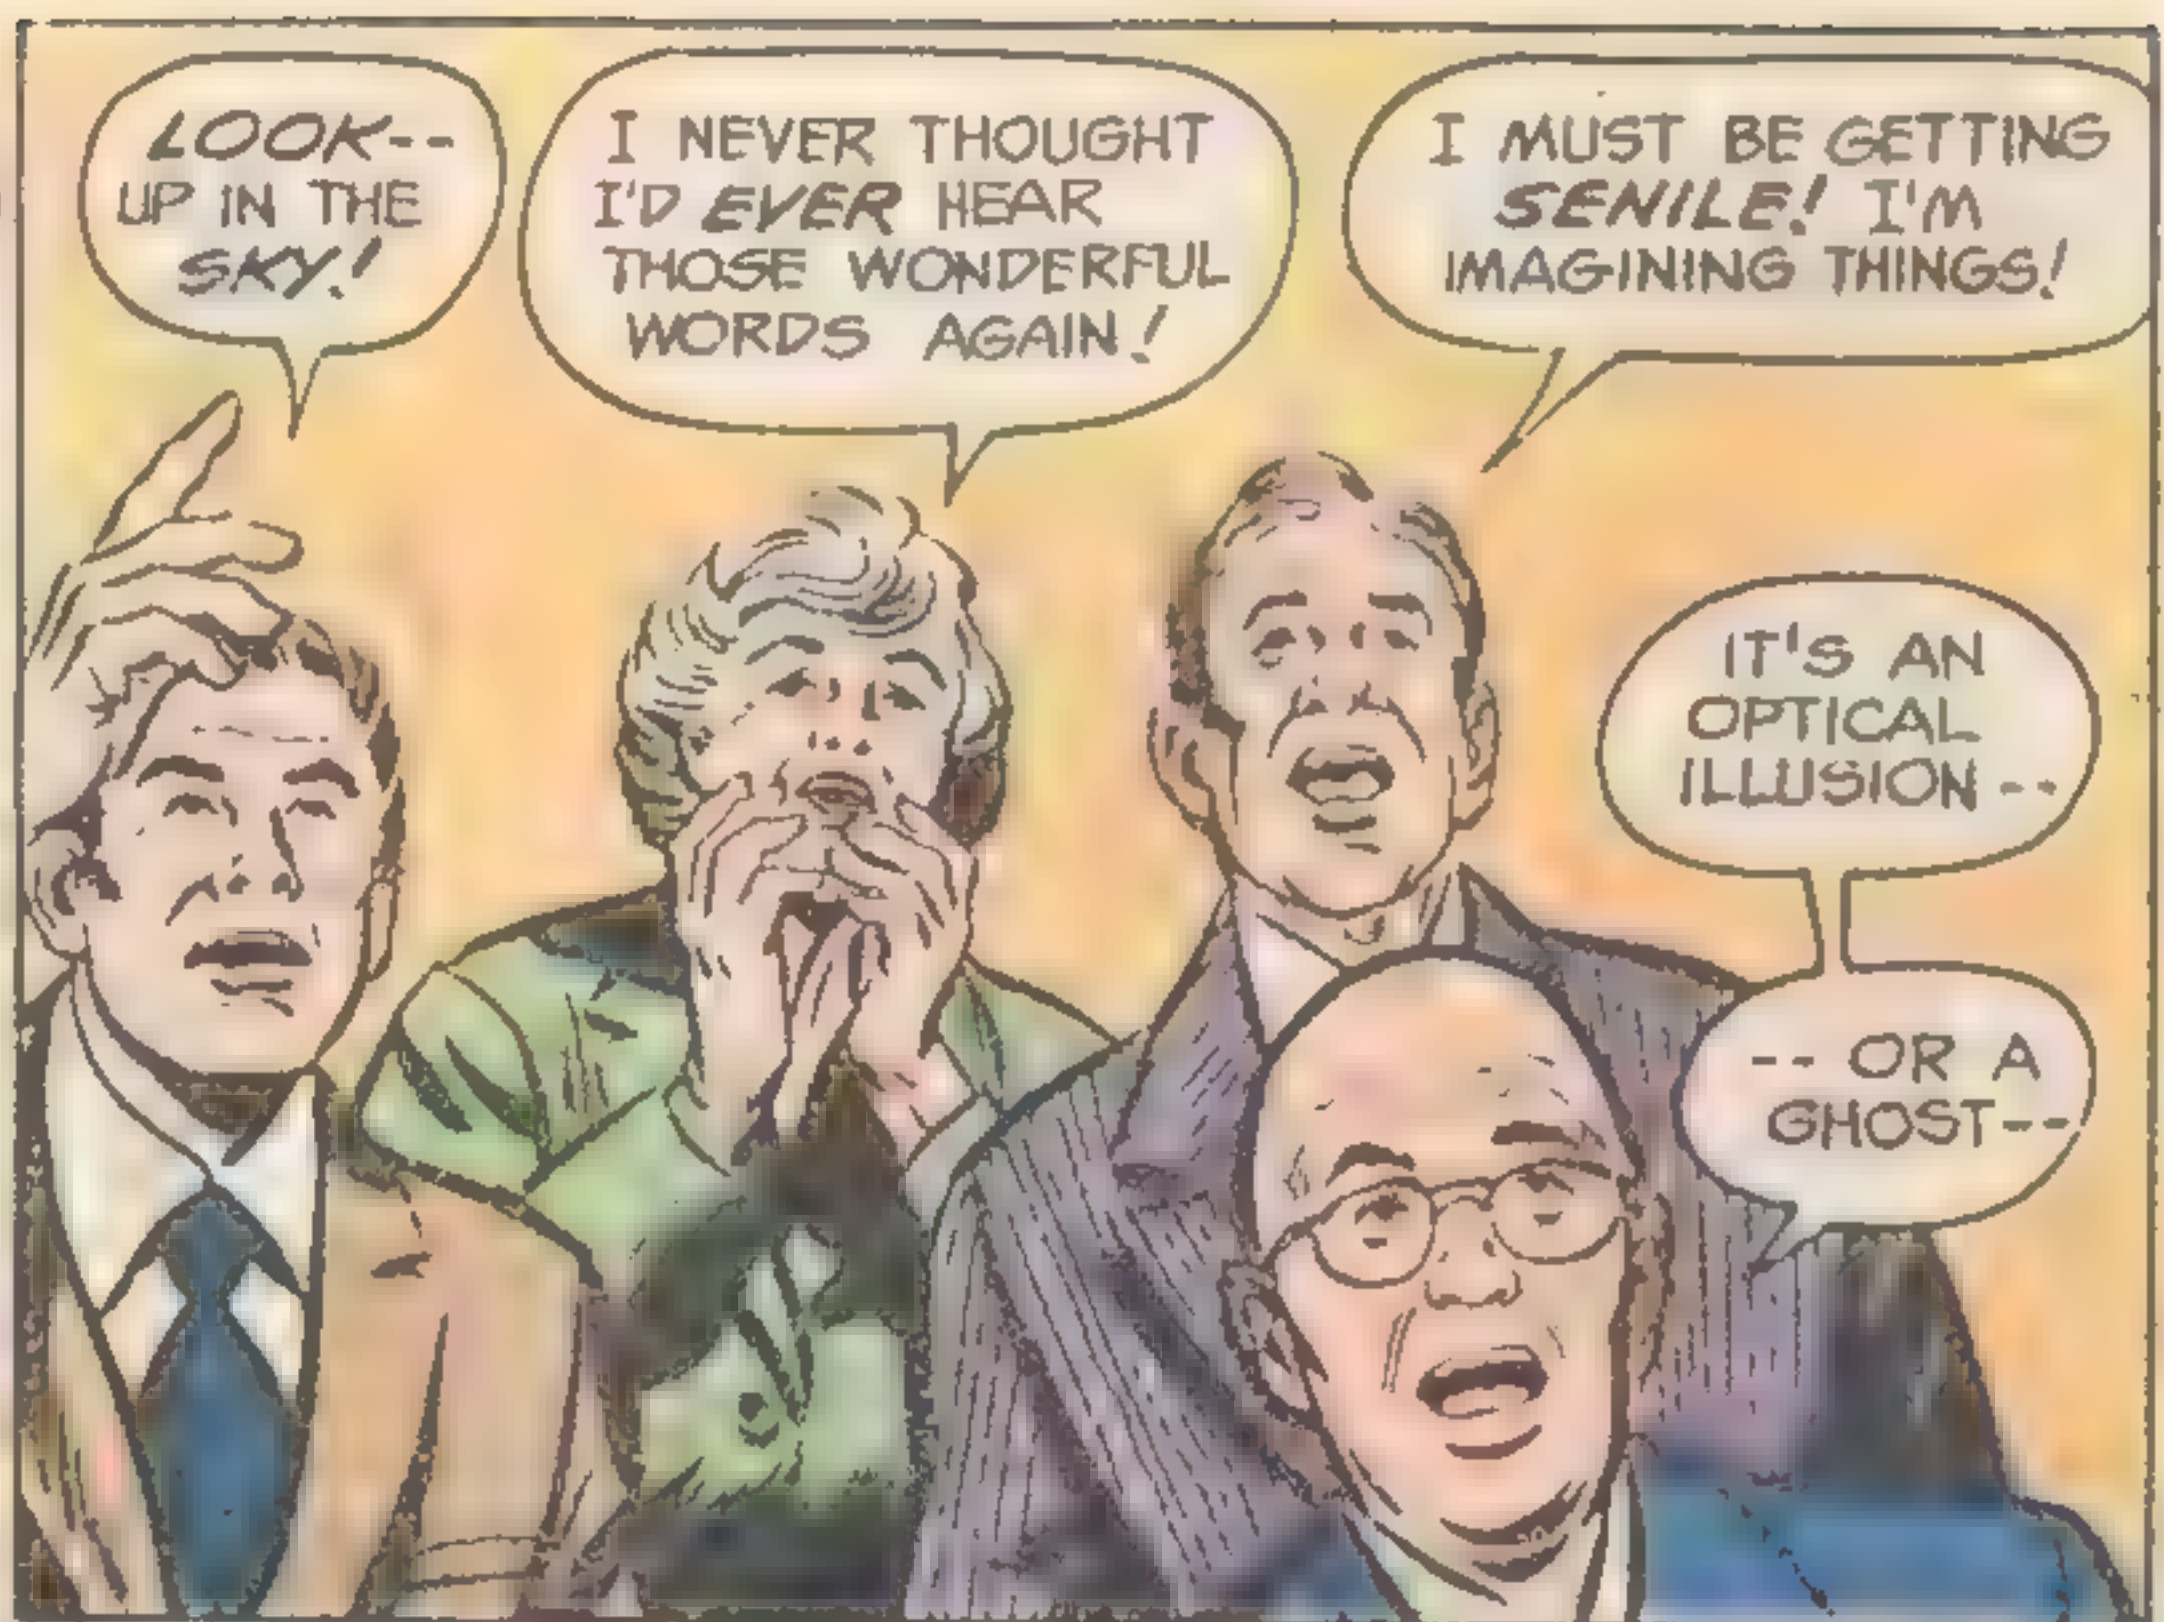

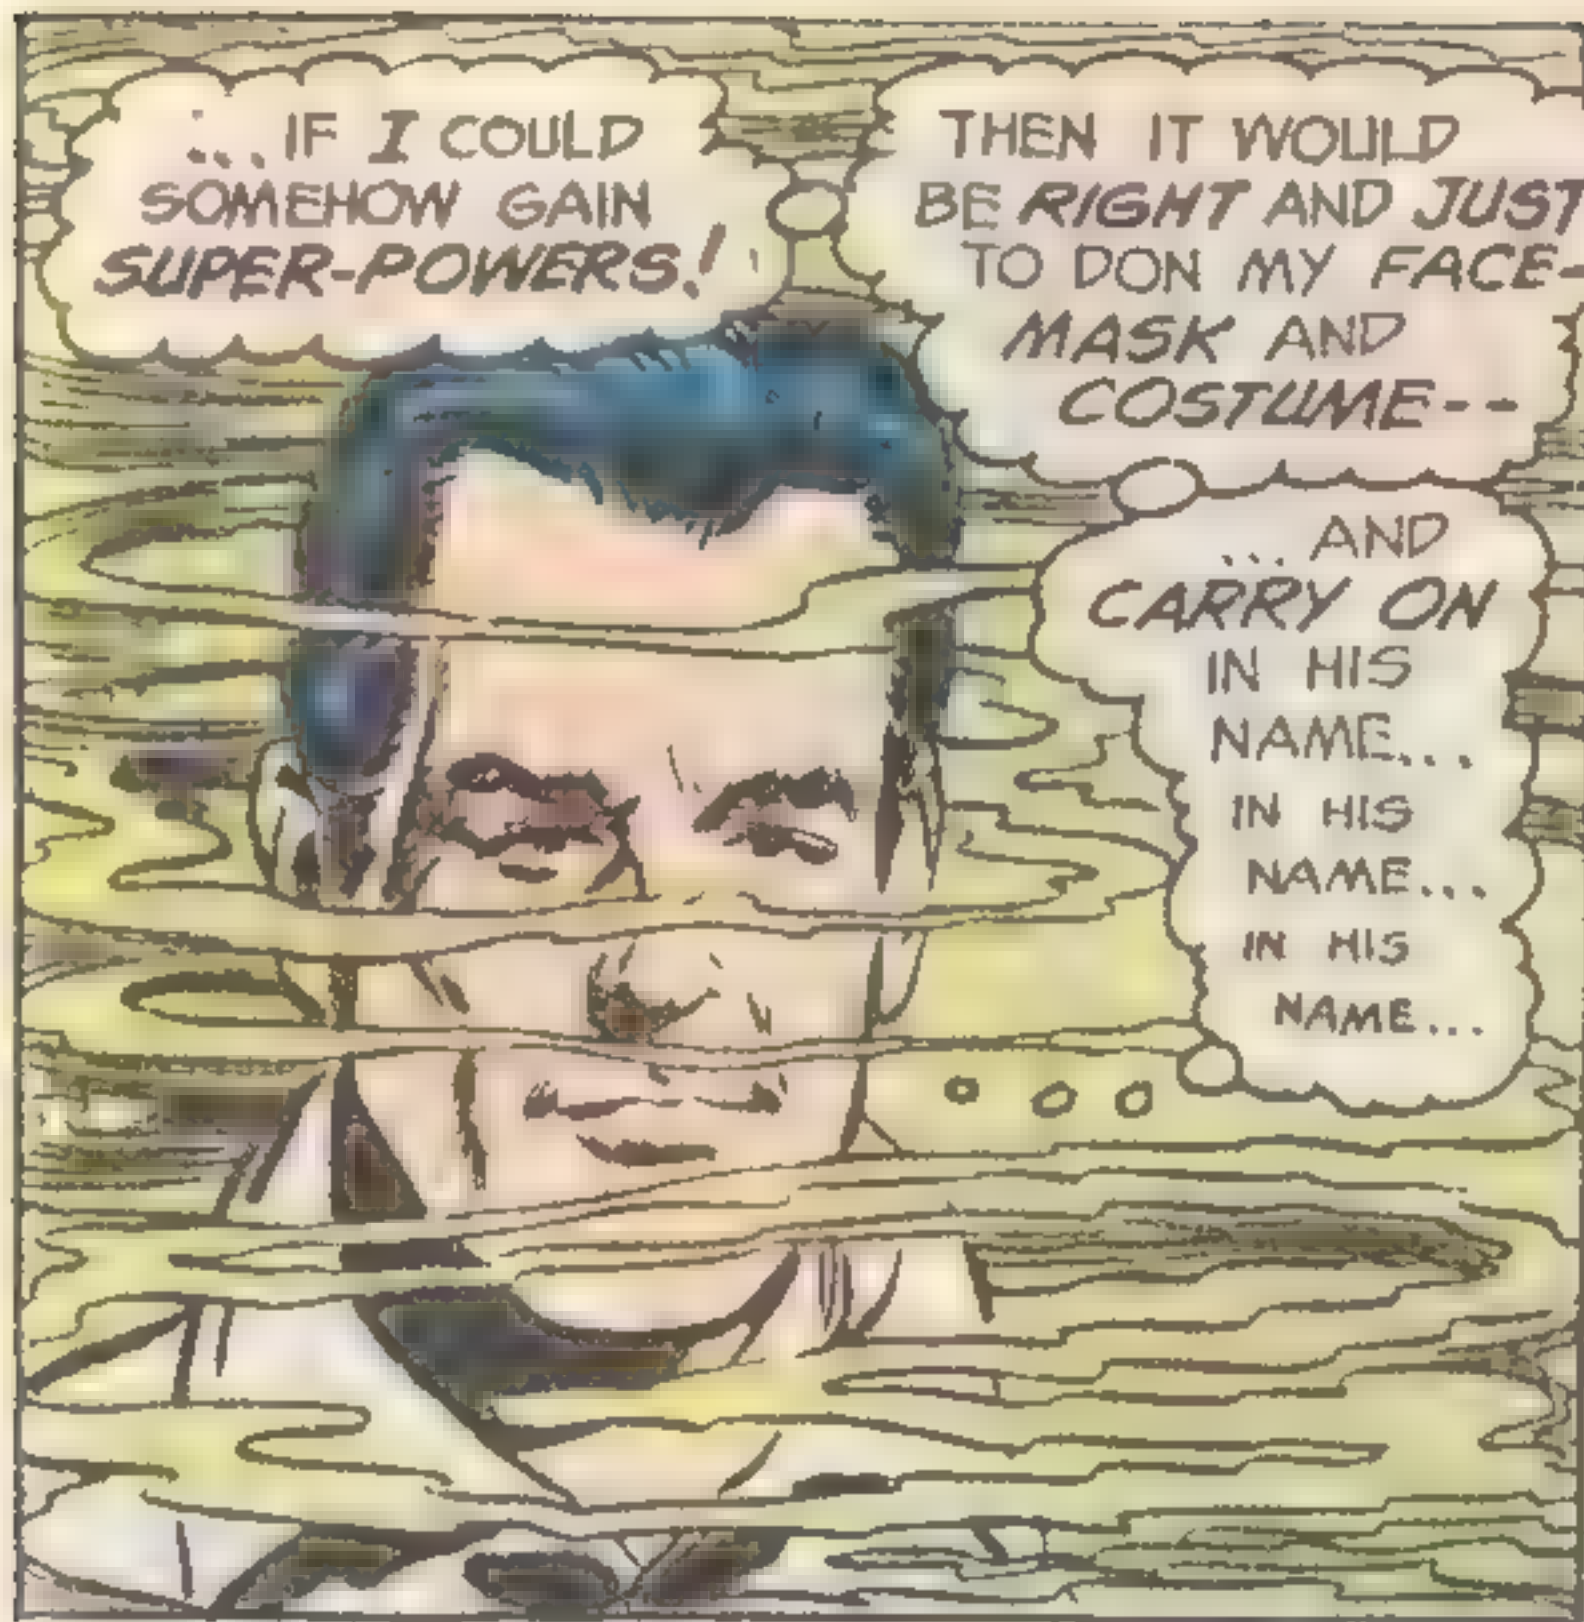

With DC's brand new **Dollar Comics!**

Listen to this brighter picture:

- Newsdealers are already preparing a little nest for us on their magazine racks. For the first time in history, they can make more money selling **World's Finest** than they can selling **Time**.
- You will be getting **80 page comics** with **all new stories** and **all new art**.
- Your Bowmar Brain will reveal that DC's **Dollar Comics** give you nearly 4 regular comics for the price of 3. They are clearly comics' best buy.

We believe that our **Dollar Comics** are the comics of the future. After all, what could be better than getting more all new stories for your money?

All of you out there—take care.

AND I WAS BEGINNING TO THINK IT WAS CLARK KENT THAT LOIS WAS STUCK ON! I WONDER--?

NEXT ISSUE: CLARK KENT GETS A NEW NEIGHBOR-- WHO BRINGS ALONG A GHOSTLY GUEST IN "ONE OF OUR PHANTOMS IS MISSING!"

ACTION #471--MAY--ON SALE THE 2ND WEEK IN FEBRUARY.

Dear Editor:

Hoo-hah! How many people noticed the look on Lois Lane's face on page 8, panel 4, of "You Can Take the Man out of the Super, but You Can't Take the Super out of the Boy" (Action #446)? While Lois is telling Morgan Edge that Clark couldn't possibly be **Superman**, her eyes are telling the reader that he **is**, and she knows he is!

Yes, Lois "knows better." She has finally learned that, if she really wants to land her (super) man, she's going to have to stop being a nuisance and become an aid. The "old" Lois couldn't possibly have loved **Superman**—she just wanted the glory of being **Mrs. Superman**. If I had a dollar for every time she fell head-over-heels for some other super-jerk, I'd be a rich man today. Her attempts to expose his secret identity were just another symptom of her quest for egotification.

It is my belief that, when Clark first kissed Lois in that historic scene in **Superman** #297, he forgot himself and kissed her as he would normally . . . as he has many times in his **super-identity**!

Lois is no fool. She **knows**!

Her actions since then bear this theory out. No longer does she try to prove he's **Superman**. . . now she tries to cover up for him. No longer does she throw herself at **Superman's** feet. . . now she schemes to get Clark. I would not be surprised if **Superman** #400 featured "The Marriage of Clark Kent and Lois Lane!" You've already come within inches of stating that **Suple** and Lois are fated to marry, so why not go ahead and do it?—after a suitable build-up, of course. Personally, I think that's what you've had in mind all along. . . you sneaky devils, you.

Aside from this minor detail and the gorgeous Neal Adams cover, **Action** #466 was forgettable. I'd like to go on record as believing that (a) **Superman's** deduction of Luthor's true plan took place too suddenly and with too little justification; (b) book-lengthers should be excluded from **Action**. . . this mag needs a back-up feature to differentiate it from **Superman**; and (c) the star of said feature should not be a member of **Superman's** "family" of supporting characters.

Brian Uhlenbrock

5918 Monterey Ave.

Richmond, Ca. 94805

(To tell the truth, we have no plans to get Clark and Lois married, but the way things happen in these mags—well, sometimes we think the characters don't always do 'em the way we plan!—E.N.B.)

Dear Editor:

The conclusion of the Luthor story remained credible until the last pages. To suggest that **Superman** can alter his physical shape via a "super-power of suggestion" was absolutely ludicrous. As a faithful reader for 16 years, I know how often you have refrained from giving **Superman** omnipotence, and I am consequently disturbed by this heresy.

Greg Coben

30 Mott St.

Newark, N.J. 07105

(**Superman** can't change his shape at will. It was only Luthor's super-science, acting with the power of suggestion on that super-brain, that caused him to shrink to **Superboy** size. If **Supes** could alter his appearance at will, Clark wouldn't look like his alter ego.—E.N.B.)

.

Dear Julie:

Thanks. **Action** #466 was the best issue I've read in a long time.

The highlight of the ish was the cover. When I saw it on the stands, I couldn't believe it. But it was right there. Neal Adams. I can't tell how great it was to see his work, because, unless I missed something, he's been absent from the comics field a long time. The cover is really terrific.

Well, so much for the cover. Now, inside art: What can I say? Curt, I consider you one of the all-time greats. And, Tex Blaisdell, you're Curt's best inker since Murphy Anderson. So the inside art was really great except for a few panels. (Sorry.)

Now for the story. Sorry, Cary, but you're going to get the most criticism. I don't understand a lot of things. I've decided Luthor is on the insane side of the line between genius and insanity. In **Action** #423, Lex concluded that his hate was what kept causing his defeats. Here he plans on winning by increasing his hate. Insanity, yes. But on Lex's part or yours, Cary?

Later, when "**Flash**" was killed, I sort of guessed it wasn't **THE Flash** or **THE Batman**, and I was disappointed. I wish they had been real.

Well, all in all, a good ish. No, seriously. As much as I tore it down, I really enjoyed it. Thanks to one and all.

David Hayes

9204 Dewberry Ln.

College Park, Md. 20740

(Glad you felt that way. Honestly, though, aren't you glad it wasn't the genuine **Flash** and **Batman** who got killed? What would we do with future issues of **Batman**, **Detective** and **The Flash** if that happened?—E.N.B.)

.

Dear Editor:

I have never written to a comic editor before, but I think it's about time I told you what I think of **Action** #466.

First, that cover. It was about the best I've seen in a long time. Neal Adams is my idol. It was that cover that inspired me to write.

The inside art was not the greatest. I wish you would get a better inker to complement Curt Swan's pencils.

The story was good, with lots of action. Cary is one heckuva writer.

All in all, it was a pretty good issue.

Jay Riggs

(And all in all, a pretty good sampling of letters. Hardly anyone who wrote in had no criticism, but hardly anyone didn't like a good part of the issue. And what one fan hated, someone else loved!—E. Nelson Bridwell)

Take your choice of 100 wonderful prizes. You can earn as many as you want—quickly, easily. Most prizes shown here and many more in our Big Prize Book are given **WITHOUT COST** for selling just one 45-pack order of American Vegetable and Flower Seeds at 40¢ a pack. Some of the larger prizes require more sales or extra money as explained in the Big Prize Book.

Send NO MONEY, We Trust You

Everybody wants American Seeds. They're fresh and ready to grow. You'll sell them quickly to family, friends and neighbors. Many boys and girls sell their packs in one day. You can, too—and get your prize at once. Or, if you want money instead of a prize, keep \$6.00 for every 45-pack order you sell. There's no risk; any unsold packs may be returned.
